## PennHIP Report

Referring Veterinarian: Dr James Hagan  
Email: joanliston@aol.com

Clinic Name: Cologne Animal Hospital  
Clinic Address: 717 W. White Horse Pike  
Cologne, NJ 08213  
Phone: (609) 965-6008  
Fax: (609) 965-5954

## Patient Information

Client: ASLAN, tracy  
Patient Name: FREELAND  
Reg. Name: royalair's almighty king aslan  
PennHIP Num: 109662  
Species: Canine  
Date of Birth: 01 Jul 2015  
Sex: Male  
Date of Study: 20 Jul 2017  
Date of Report: 24 Jul 2017

Tattoo Num:  
Patient ID: 2265Aslan  
Registration Num:  
Microchip Num: 981020021044371 981  
Breed: GERMAN SHEPHERD  
Age: 24 months  
Weight: 117 lbs/53.1 kgs  
Date Submitted: 21 Jul 2017

## Findings

Distraction Index (DI): Right DI = 0.25, Left DI = 0.24.  
Osteoarthritis (OA): No radiographic evidence of OA for either hip.  
Cavitation/Other Findings: None.

## Interpretation

**Distraction Index (DI):** The laxity ranking is based on the hip with the greater laxity (larger DI). In this case the DI used is 0.25.

**OA Risk Category:** The DI is less than or equal to 0.30. This patient is at minimal risk for hip OA.

**Distraction Index Chart:**

**Breed Statistics:** This interpretation is based on a cross-section of 13863 canine patients of the GERMAN SHEPHERD breed in the AIS PennHIP database. The gray strip represents the central 90% range of DIs (0.25 - 0.70) for the breed. The breed average DI is 0.42 (solid square). The patient DI is the solid circle (0.25).

**Summary:** The degree of laxity (DI = 0.25) ranks the hip within the tightest 5% of DIs for the breed. This amount of hip laxity places the hip at a minimal risk to develop hip OA. No radiographic evidence of OA for either hip.

**Interpretation and Recommendations:** No OA/Minimal Risk: Unlikely to show radiographic evidence of hip OA; even more unlikely to develop clinical signs of hip dysplasia. **Recommendations:** Normal to strenuous activity is permitted. Keep lean: try to maintain BCS at 5/9 for a longer and healthier life.

**Breeding Recommendations:** Please Consult the PennHIP Manual.
